INFORMATION CIRCULAR
as of December 14, 2020 (unless otherwise noted)

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular is furnished to you in connection with the solicitation of proxies by management of Gold Bull Resources Corp. (“we”, “us”, the “Company” or “Gold Bull Resources”) for use at the Annual General Meeting (the “Meeting”) of shareholders of the Company to be held on January 20, 2021, at 10 a.m. at the Company’s offices of the Company at 717 – 1030 West Georgia Street, Vancouver, BC V6E 2Y3, and at any adjournment of the Meeting. The Company will conduct its solicitation by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of this solicitation.

Due to the COVID19 Pandemic and given the restrictions on public gatherings and in the best interest of the health of all participants in the Company’s Meeting, the Company respectfully asks that all shareholders do not attend the Meeting in person. The Company requests that shareholders who wish to participate by listening to the Meeting, contact the Company by January 18, 2021 at gavin@goldbull.ca to be included in the video conference for the Meeting. The Company will arrange for video participation for all shareholders who have requested it by January 18, 2021. However, the Company strongly recommends that shareholders vote by Proxy or VIF in advance to ease the voting tabulation at the Meeting by Computershare Investor Services Inc. If public health guidelines regarding physical distancing in British Columbia have changed by the meeting date of January 20, 2021, the Company will issue a news release advising of permitted Meeting attendance in accordance with such updated guidelines.

APPOINTMENT OF PROXY HOLDER

The persons named as **proxy holders** in the enclosed form of proxy are the Company’s directors or officers. **As a shareholder, you have the right to appoint a person (who need not be a shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy.**

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

VOTING BY PROXY

The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.

The enclosed form of proxy gives the persons named as proxy holders discretionary authority regarding amendments or variations to matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Information Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgement.

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an "X" in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. In that case, the proxy holders nominated by management will vote the shares represented by your proxy in accordance with their judgment.

RETURN OF PROXY

You must deliver the completed form of proxy to the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, FACSIMILE (within North America) 1-866-249-7775 (outside North America) (416) 263-9524, by fax, hand or by mail or to the Company's head office at the address listed on the cover page of this Information Circular, not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the scheduled time of the Meeting or any adjournment.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are "non-registered" shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as "NOBOs". Those non-registered Holders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as "OBOs".

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Information Circular, and the form of proxy directly to NOBOs and to the Nominees for onward distribution to OBOs. **The Company does not intend to pay for a Nominee to deliver to OBOs, therefore an OBO will not receive the materials unless the OBO's Nominee assumes the costs of delivery.**

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting Materials sent to non-registered holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “VIF”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIF’s, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the Shares which they beneficially own. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.** Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

REVOCATION OF PROXY

If you are a registered shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) signing a proxy bearing a later date; or
- (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company’s registrar and transfer agent or to the Company’s head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a non-registered shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the adoption of the Company’s stock option plan, approval of which will be sought at the Meeting. Directors and executive officers of the Company may participate in the Company’s stock option plan, and accordingly have an interest in its approval. See “Particulars of Matters to be Acted Upon”.

The shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at six (6) for the next year, subject to any increases permitted by the Company's Articles.

Unless you provide other instructions, the enclosed proxy will be voted for the nominees listed below. Management does not expect that any of the nominees will be unable to serve as a director. Oversight and Description of Director and Named Executive Officer Compensation

Director compensation

The Board determines director compensation from time to time. Directors are not generally compensated in their capacities as such but the Company may, from time to time, grant to its directors incentive stock options to purchase common shares in the capital of the Company pursuant to the terms of the Stock Option Plan and in accordance with the policies of the TSX Venture Exchange (the "Exchange").

As at December 14, 2020, the Company has no arrangements, standard or otherwise, pursuant to which directors are compensated in cash by the Company for their services as directors or committee chairs. The Company may pay directors for involvement in special assignments at

rates agreed to by the Board, but did not make any such payments during the financial year ended June 30, 2020.

Named Executive Officer Compensation

The Board determines executive compensation from time to time. The Company does not have a formal compensation policy, but the Board is responsible for reviewing the adequacy and form of compensation paid to the Company's executives and ensuring that such compensation realistically reflects the responsibilities and risks of such positions. In fulfilling its responsibilities, the Board evaluates the performance of the chief executive officer and other senior management in light of corporate goals and objectives, and makes recommendations with respect to compensation levels based on such evaluations. The main objectives the Company hopes to achieve through its compensation are to attract and retain executives critical to the Company's success, who will be key in helping the Company achieve its corporate objectives and increase shareholder value. The Company looks at industry standards when compensating its executive officers.

During the financial year ended June 30, 2020, Mr. Sorace's compensation as CEO amounted to \$27,886 and Mr. Cooper's compensation as CFO amounted to \$44,200. These amounts decreased from previous years as the Company was conserving funds in a challenging market.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Company has an incentive stock option plan under which stock options are granted. Stock options have been determined by the Company's directors and are only granted in compliance with applicable laws and regulatory policy. The policies of the Exchange limit the granting of stock options to employees, officers, directors and consultants of the Company and provide limits on the length of term, number and exercise price of such options. The Exchange also requires annual approval of stock option plans by shareholders.

The following table sets out equity compensation plan information as at the end of the financial year ended June 30, 2020.

Plan Category	Number of securities to be issued upon exercise of outstanding options⁽¹⁾ (a)	Weighted-average exercise price of outstanding options (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))⁽²⁾ (c)

Reliance on Exemptions in NI 52-110 regarding Audit Committee Composition & Reporting Obligations

Since the Company is a venture issuer, it relies on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 3 Composition of the Audit Committee (as described in 'Composition of the Audit Committee' above) and Part 5 Reporting Obligations of NI 52-110 (which requires certain prescribed disclosure about the Audit Committee in this Information Circular).

CORPORATE GOVERNANCE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* of the Canadian securities administrators requires the Company to annually disclose certain information regarding its corporate governance practices. Under this heading, the Company is providing the disclosure required by Form 58-101F2.

Board of Directors

The Board has responsibility for the stewardship of the Company including responsibility for strategic planning, identification of the principal risks of the Company's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company's internal control and management information systems.

The Board sets long term goals and objectives for the Company and formulates the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board delegates the responsibility for managing the day-to-day affairs of the Company to senior management but retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Company and its business. The Board is responsible for protecting shareholders' interests and ensuring that the incentives of the shareholders and of management are aligned.

As part of its ongoing review of business operations, the Board reviews, as frequently as required, the principal risks inherent in the Company's business including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the Audit Committee, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board, the Board is required to approve any material dispositions, acquisitions and investments outside the ordinary course of business, long-term strategy, and organizational development plans. Management of the Company is authorized to act without board approval, on all ordinary course matters relating to the Company's business.

The Board also monitors the Company's compliance with timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board is responsible for selecting the President and appointing senior management and for monitoring their performance.

The Board considers that the following directors are "independent" in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director's ability to act with the best

interests of the Company, other than interests and relationships arising from shareholding: James Yates, Walter Coles and Craig Parry. The Board considers that Cherie Leeden, the CEO of the Company of the Company is not independent because she is a member of management and Vince Sorace, who was most recently the CEO until November 2020, is not considered independent.

Orientation and Continuing Education

The Board is responsible for providing orientation for all new recruits to the Board. Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of Gold Bull Resources' business will be necessary and relevant to each new director. Gold Bull Resources provides continuing education for its directors as the need arises and encourages open discussion at all meetings, which format encourages learning by the directors.

Ethical Business Conduct

The Board relies on the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law to ensure the Board operates independently of management and in the best interests of the Company. The Board has found that these, combined with the conflict of interest provisions of the *Business Corporations Act* (BC), as well as the relevant securities regulatory instruments, to ensure that directors exercise

independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

The Board performs the functions of a nominating committee with respect to appointment of directors. The Board believes that this is a practical approach at this stage of the Company's development. While there are not specific criteria for board membership, the Company attempts to attract and maintain directors with business knowledge, which assists in guiding management of the Company.

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders. The Board takes into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

Compensation

The Board is responsible for determining all forms of compensation, including long-term incentive in the form of stock options, to be granted to the CEO, the CFO and the directors, and for reviewing the CEO's recommendations respecting compensation of the other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the Board considers: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the shareholders; (iv) rewarding performance, both on an individual basis and with respect to operations in general; and (v) permitted compensation under Exchange rules.

Other Board Committees

The Board has no other committees other than the Audit Committee described in this Information Circular under the heading "Audit Committee".

Assessments

The Board annually reviews its own performance and effectiveness as well as reviews the Audit Committee Charter and recommends revisions as necessary. Neither Gold Bull Resources nor the Board has adopted formal procedures to regularly assess the Board, the Audit Committee or the individual directors as to their effectiveness and contribution. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for Gold Bull Resources, given its size and operations. Gold Bull Resources' corporate governance practice allows the Company to operate efficiently, with checks and balances that control and monitor management and corporate functions without excessive administrative burden.

PARTICULARS OF MATTERS TO BE ACTED ON

Shareholder Approval of Stock Option Plan

The only equity compensation plan which the Company currently has in place is the 2020 stock option plan (the “**2020 Plan**”) which was approved by the directors and the shareholders of the Company. The 2020 Plan was established to provide incentive to employees, officers, directors and consultants who provide services to the Company. Exchange policy requires that all companies listed on the Exchange adopt a stock option plan if a company wishes to grant stock options and that all stock option plans that reserve a maximum of 10% of the issued and outstanding share capital of the Company at the time of grant (called a “rolling plan” under Exchange policies), must be approved and ratified by shareholders on an annual basis in accordance with Policy 4.4 of the Exchange (“**Policy 4.4**”). The Company’s 2020 Plan was approved by the Company’s shareholders at the previous annual general meeting of shareholders held on February 7, 2020.

Management seeks shareholder approval for renewal of the 2020 Plan, as the Company’s 2021 stock option plan (the “**2021 Plan**”) in accordance with and subject to the rules and policies of the Exchange. The intention of management in proposing the 2021 Plan is to increase the proprietary interest and incentive of employees, officers, directors and consultants in the Company and thereby aid the Company in attracting, retaining and encouraging the continued involvement of such persons with the Company. It is proposed that under the 2021 Plan, the total number of common shares that may be reserved for issuance will be 10% of the issued and outstanding common shares of the Company at the time of grant, less any common shares reserved for issuance pursuant to the grant of stock options under any other share compensation arrangements. The 2021 Plan complies with the current policies of the Exchange, and all capitalized terms below that are not defined in this Information Circular, have the meanings given to them in Policy 4.4. The 2021 Plan is subject to approval by the Exchange.

Terms of the 2021 Plan

A full copy of the 2021 Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the 2021 Plan from the Company prior to the meeting on written request. The following is a summary of the material terms of 2021 Plan:

1. The options are non-assignable and non-transferable (except that the Optionee's heirs or administrators can exercise any portion of the outstanding option, up to one year from the Optionee's death).
2. The number of shares subject to each option is determined by the Board of Directors provided that the 2021 Plan, together with all other previously established or proposed share compensation arrangements may not, during any 12 month period, result in:
 - (a) the number of options granted to any one Person exceeding 5% of the issued shares of the Company; or
 - (b) the number of options granted to any one Consultant exceeding 2% of the issued shares of the Company; or
 - (c) the number of options granted to all Persons retained to provide Investor Relations Activities of a number shares exceeding 2% of the issued shares of the Company.
3. The exercise price of an option may not be set at less than Discounted Market Price.
4. The options may be exercisable for a period of up to 10 years, (subject to extension where the expiry date falls within a "blackout period").
5. Disinterested shareholder approval will be obtained for any reduction in the exercise price if the Optionee is an Insider of the Company at the time of the proposed amendment.
6. For stock options granted to Employees, Consultants or Management Company Employees, the Company and the Optionee are responsible for ensuring and confirming that the Optionee is a bona fide Employee, Consultant or Management Company Employee, as the case may be.
7. Any options granted to any Optionee who is a Director, Employee, Consultant or Management Company Employee must expire within a reasonable period following the date the Optionee ceases to be in that role (in general, the Exchange considers anything not exceeding 12 months to be a reasonable period for these purposes).

Shareholders will be asked to pass the following, ordinary resolution, approving the Company's 2021 Plan:

"IT IS RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. The Company adopt a 2021 Stock Option Plan (the "Plan"), including the reserving for issuance under the Plan at any time of a maximum of 10% of the issued common shares of the Company;

2. The Board of Directors be authorized on behalf of the Company to make any further amendments to the Plan as may be required by regulatory authorities, without further approval of the shareholders of the Company, in order to ensure adoption of the Plan;
3. The Company file the Plan with the TSX Venture Exchange for acceptance; and
4. Any one director or officer of the Company is authorized and directed to do all such acts and things and to execute and deliver all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to this resolution.”

Recommendation of the Company's Directors

The directors have reviewed and considered all facts respecting the approval of the 2021 Plan. The Company's directors unanimously recommend that the shareholders vote in favour of ratifying and approving the 2021 Plan.

An ordinary resolution requires the approval of a simple majority (50% + one vote) of the votes cast at the Meeting, in person or by proxy. **It is the intention of the persons named in the accompanying Proxy, if not expressly directed to the contrary in such Proxy, to vote such proxies FOR the ordinary resolution authorizing the approval of the 2021 Plan.**
